## New Market Streetscape Project

### Construction Update

July 14, 2016

Crew are excavating for driveway along MD 144 (north side)

Please drive carefully through the work zone and beyond:

- Observe new signs and flaggers during lane closures.
- Watch for construction equipment and working crews.

Here is a picture of a newly installed trench at 27 West Main St. along MD 144 (North Side)

#### Recent Accomplishments:

1. Crews are working on grading for new curb.
2. Crews are installing street lights and conduit for lighting
3. Crews are placing concrete for driveway apron.
4. Crews are installing down spouts connections

#### Upcoming work schedule:

1. Crews will continue grading for sidewalk on north side of project. Also grading for driveway aprons.
2. Crews will install concrete for new sidewalk and driveways.
3. Crews will continue to install new conduit and new street lights. Also installing electrical hand boxes
4. Crew will continue to install down spout connection and trench drains.

On behalf of Maryland State Highway Administration (SHA), I would like to thank you for your cooperation and patience. Please drive with caution through our work zone.

David James, Project Engineer

Maryland State Highway Administration
